

QUALITY POLICY STATEMENT

Central Power Services Ltd specialises in all aspects of emergency power solutions and is committed to providing quality products and enhanced services to our customers.

Our Quality Objectives and Targets have been established to help us continually meet and exceed customer satisfaction and this is communicated throughout our company through training and involvement of our people to ensure a full understanding of the role each of us play in the success of our company vision.

Our Quality Management System will be reviewed on a regular basis and will provide a framework for identifying new objectives and confirm the effectiveness and suitability of the system. The Quality Management System is designed to comply with the requirements of BS EN ISO 9001:2015 Standard.
